

MEMORANDUM FOR: Assistant to the Director for

Public Affairs

Approved For Release 2005/11/28 : CIA-RDP86B00985R000100030019-9

SUBJECT : Public Speaking

REFERENCE : Your Memorandum of 5 April

Both the DDI and I obviously would be available to take on some of the public speaking load. In addition, depending upon the audience and the circumstances, at least two additional office chiefs would be available for speaking. Finally, I would note that requests for speakers on substantive issues are handled with very high frequency by DDI analysts.

SUBJECT : Public Speaking

1. It is expected that Admiral Turner and his three principal deputies will take part in an increasing number of public appearances in the months ahead. These appearances will precipitate even more invitations. Obviously these four men cannot accept them all. We would hope to offer alternate speakers to represent the Agency and the Intelligence Community to foster better public understanding of what we do and why we do it.

2. We would very much appreciate knowing if you and other members of your staff are available to speak publicly from time to time. I realize in some instances individual positions will preclude public appearances but would be grateful for your comments as soon as convenient on how many of your staff may be able to participate.
